

A Documentary on Gender Responsive Budgeting

This is a 5-minute documentary on gender responsive budgeting (GRB), which was filmed in Mysore, showcasing UNIFEM South Asia's work with the Singamma Sreenivasan Foundation. The video produced by UNIFEM in collaboration with the Commonwealth TV was first released at the Commonwealth Local Government Conference held in New Zealand in March 2007. The aim of the documentary is to showcase the concrete results achieved through the use of GRB as well as its role and relevance in changing women's life.
